

HA1(H3N2)(A/Hong Kong/4801/2014)

Cat No. : 01-02-0065

Product Name : HA1(H3N2)(A/Hong Kong/4801/2014)

Type : Protein

Property : a.a.16-361

Origin :

Source : HEK293

Application : WB standard, antibody ELISA, immunogen

Formulation : Each vial contains 100 ug purified protein(1mg/ml) in PBS(pH7.4).

Purity : >95%

Storage : Store at -80°C, Avoid freeze / thaw cycle.

Limitation : For research use only, not for use in diagnostic procedures.

Note :
