

NP (Schmallenberg virus)

Cat No. : 01-05-0009

Product Name : NP (Schmallenberg virus)

Type : Protein

Property : Purified recombinant protein

Origin :

Source : HEK293

Application : WB standard ÷ Ab ELISA ÷ immunogen ÷ etc.

Formulation : Each vial contains 100 ug purified protein(1mg/ml) in PBS(pH7.4).

Purity : >95%

Storage : Store at -80°C ÷ Avoid freeze / thaw cycle.

Limitation : For research use only ÷ not for use in diagnostic procedures.

Note :
